

Go to college. We'll pay for it.

icanaffordcollege.com

You need to go to college. And we can help pay for it. Financial aid is available for students all across California. And it's there for the asking. Real money...for a real education. One that could get you a better job and get you started on your future.

So if you need money for college...fees, books, supplies...even help with the rent...you just need to ask.

Log on now and find out if we can help you. Or call
